This default occurred due to fiduciary public servant trustees' failure to provide requested bond information since **September 11, 2024**, when bond data was lawfully requested from officers, including by demand for business cards (which are required to display such data).

Reviewing the 2023 Comprehensive Annual Financial Report (CAFR) published by CITY OF SNYDER, INC., I confirmed bonding via the Texas Municipal League (TML). As stated on page 50:

**JUSTIFICATION FOR CONSTRUCTIVE INCLUSION OF NON-NOTICED PARTIES**

The inclusion of *Daniel Raymond Hicks Jr.* (County Judge) and *Michael W. Hartman* (County Attorney) is pursuant to the law of agency and fiduciary breach, as both officials intervened in a settled matter by issuing or endorsing unauthorized legal determinations regarding lawfully executed administrative instruments—namely the *Affidavit of Obligation / Claim of Lien*—without first-hand knowledge, jurisdictional standing, or lawful authority. Their liability arises not from direct notice via certified presentation, but from their voluntary assumption of adjudicative authority in a process not within the jurisdiction of their office, resulting in direct constructive harm, estoppel by silence, and fiduciary breach against the presenter.

Likewise, the individual administrative officers of the **Texas Municipal League Intergovernmental Risk Pool (TMLIRP)** are joined to this affidavit not by individual certified notice, but by operation of their *principal-agent relationship* with the organization. As fiduciary representatives of the insured entity (CITY OF SNYDER, INC.), their duty to act on behalf of TMLIRP in receiving, responding to, and resolving claims was triggered by receipt of presentation at the organizational level. Their failure to act or respond

constitutes tacit agreement and collective default under agency law, wherein liability flows to all responsible parties by constructive notice, internal duty, and corporate silence.

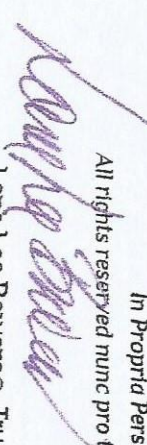

**CONCLUSION OF LAW**

All listed parties entered administrative dishonor and commercial default by failure to respond to lawful notices, opportunity to cure, or otherwise rebut under oath, under penalty of perjury. Each obligation was perfected per the terms of notice and is enforceable privately and publicly under law.

**SYMPHER LEGAL MASTER OVERRIDE CERTIFICATION**

This affidavit is certified under SYMPHER LEGAL MASTER OVERRIDE protocols. No portion of this document contains speculative logic or rhetorical inference. All conclusions are derived from *unrebutted fact, operation of law, administrative silence, and perfected lien procedure under Lex Mercatoria, UCC, and binding commercial law.*

**NOTICE OF UNREBUTTED ADMINISTRATIVE JUDGMENT AS STANDING LAW**

Sojourn Bequest Irrevocable Trust (SBIT) JUNE 13<sup>TH</sup>, 2025

Date of Issuance: *June 13, 2025*

Cause No. **25-208-DCCV-27862**

132<sup>ND</sup> JUDICIAL DISTRICT COURT, Republic of Texas

**Notice to All Interested Parties, Agents, Agencies, and Fiduciaries:**

This **NOTICE** serves as official declaration that the administrative judgment rendered through *Affidavit of Obligation/Claim of Lien* process, perfected by default and dishonor, stands **unrebutted** in *law, fact, and equity*.

Pursuant to the perfected presentments issued by **Sojourn Bequest Irrevocable Trust (SBIT)**, Trustee for the Sundual Reparations Irrevocable Trust (SRIT), and supported by the unrebutted affidavits, default logs, and administrative silence of the named parties, said judgment is now deemed binding, final, and operative as **STANDING LAW** between the parties.

The perfected judgment now carries full force under *common law, contract law, Lex Mercatoria*, and **UCC protocols**, and is entitled to full faith and credit under Article IV, Section 1 of the **U.S. Constitution**, with corresponding standing in the court of competent jurisdiction.

Failure of all named parties—including but not limited to agents of the **CITY OF SNYDER, INC.**, the *Texas Municipal League Intergovernmental Risk Pool (TMLIRP)*, and the **SCURRY COUNTY Records Office**—to respond, rebut, or cure within lawful timeframes has established **conclusive estoppel and absolute liability**.

**Legal Consequence & Jurisdictional Finality**

The unrebutted Affidavit process carries the weight of judgment in rem, in personam, and quasi in rem. All administrative remedies were exhausted prior to perfection. There exists no competent affidavit of denial, rebuttal, or lawful objection in the administrative record, thereby solidifying this judgment as enforceable in all jurisdictions, tribunals, and forums where equity and justice prevail.

This **NOTICE** affirms and documents that all obligations listed in the "*Perfected Claim of Lien / Affidavit of Obligation – Updated with Additional Obligors – June 12, 2025*" are now recognized as **executed commercial obligations under perfected administrative law**.
