PETITION FOR ENFORCEMENT OF PERFECTED PRIVATE REMEDY

Pursuant to Rule 201 of the Texas Rules of Evidence, Petitioner hereby invokes Judicial Notice of adjudicative facts to be memorialized into public record, along with this Petition, the perfected administrative record, and all supporting **Exhibits** duly referenced and archived. Under Rule 201(c)(2), the court must take judicial notice when requested and supplied with necessary information and must instruct the jury to treat such noticed facts as conclusive, under Rule 201(f).

Petitioner further demands that this Court and all its officers proceed within the boundaries of constitutional restraint as the Court is required, in reference to the following: Pursuant to the Constitution for the united States of America with all Articles of the **Bill of Rights**, as written **Article VI** paragraph 2, *"This Constitution and the Laws of the united States which shall be made in Pursuance thereof; and all Treaties made, under the authority of the united States, shall be the supreme Law of the Land; and the Judges in every State shall be bound thereby, any Thing in the Constitution or Laws of any State to the Contrary notwithstanding"*.

- The **Constitution for the united States of America** (1787), including the **Bill of Rights**,
- The **Constitution for the Republic of Texas** (1836), specifically:
 - Article I, Section 2: All political power is inherent in the people,
 - Section 9: Security of property from unreasonable seizure,
 - Section 10: Rights of the accused and right to know the nature of any accusation,
 - Section 15: Right to a trial by jury remains inviolate,
 - Section 16: Prohibition against bills of attainder, ex post facto laws, or impairment of contracts,
 - Part Ten of the DECLARATION OF RIGHTS: "writ of "habeas corpus" shall not be suspended..."

This Invocation is entered as express judicial notice and constitutional reservation of rights. Petitioner asserts this court is bound to operate within these express limitations of law and is under its fiduciary obligation to uphold the inalienable rights of the people. Any proceeding conducted outside these bounds is to be struck from the record as a nullity ab initio and ultra vires.

STATEMENT OF NECESSITY AND JUDICIAL DEMAND:

Petitioner, Lien Claimant, brings this action before this constitutional **DISTRICT COURT** out of necessity, not preference, having exhausted all administrative and lawful private avenues of remedy through Petitioner's lawfully perfected **COUNTERCLAIM** and administrative commercial process grounded in fact, law, and unrefuted truth. Since September 11th, 2024, Petitioner has lawfully presented notices, demands, and sworn affidavits to each named *Public Servant Fiduciary* **TRUSTEE**, all of which were met with silence, dishonor, or mischaracterization. Each *Public Servant Fiduciary* **TRUSTEE** to the initial **COUNTERCLAIM** was served via United States Postal Service registered mail September 27th, 2024, see **EXHIBIT A**

Petitioner acknowledges the prevailing tendency of public servants and legal professionals to presume that such efforts of self-governance are

None Legitimate 5/16/25

PETITION FOR ENFORCEMENT OF PERFECTED PRIVATE REMEDY

rooted in “sovereign citizen” ideology or similar mischaracterization. This presumption is false and fatally misplaced in this instance. Petitioner acts strictly according to constitutional authority, natural law, and published due process — as affirmed by the Supreme Law of the Land, being consistent with foundational American jurisprudence. This Petition is not an act of rebellion, but one of lawful accountability and enforcement through lawful constitutional means, after bona fide good faith efforts were wholly ignored and exhausted.

The silence of *Public Servant Fiduciary TRUSTEES* constitutes tacit admission, default, and dishonor — requiring this court to now enforce the perfected private remedy that has lawfully vested under principles of justice, equity, and Petitioner’s unalienable secured and guaranteed rights by the constitutions of the Republic of Texas and the united States of America.

I. JURISDICTION

This Court holds original jurisdiction under Article I, Sections 13 (open courts), 17 (trial by jury), and 27 (petition for redress of grievances) of the Texas Constitution and Article VI of the Constitution for the united States of America. Self-Autonomous Petitioner acts in full capacity as a Living Man, *in propria persona*, not as a corporate entity, and seeks enforcement of a perfected private remedy grounded in constitutional law, affirmed commercial process, and unrebutted affidavit. Jurisdiction is further supported by Texas Government Code § 552.321, governing failure of public entities to comply with lawfully presented public information requests.

II. NATURE OF PETITION

This is not an original complaint, but a Petition for Enforcement of a perfected and unrebutted private administrative **Default Judgment**. It arises from the failure of named Offending Public Servant Fiduciaries—TRUSTEES—acting under color of law and office for CITY OF SNYDER, Inc.—to answer or cure multiple presentments beginning September 27, 2024. This matter stands perfected by lawful default, commercial dishonor, and unrebutted affidavit of claim. This enforcement petition does not seek adjudication of facts: *already a perfected claim*, but rather enforcement thereof.

This Petition is brought solely against Living Men and Women acting under public trust obligation and oath of office, who stand as fiduciary trustees. While the municipal entity CITY OF SNYDER, Inc. is not named herein, its benefit from and concealment of the named parties' dishonor is reserved for separate commercial action.

III. BACKGROUND AND RECORD OF PRESENTMENT

Petitioner, Lien Claimant, lawfully issued a Counterclaim, followed by a sequence of lawful notices, all served via USPS REGISTERED and Certified Mail with proof of service. These included a Bond Demand, Notices of Dishonor and Opportunity to Cure, Default Judgment, and an Affidavit of Commercial Bonding Interest (**Exhibits A–G**).

May 16, 2025, Petition for Enforcement of Perfected Private Remedy

PETITION FOR ENFORCEMENT OF PERFECTED PRIVATE REMEDY

The administrative process remained unrebutted through each phase to the present. A formal Olive Branch offering remedy was served January 10, 2025 (**Exhibit F**) and received no response, rebuttal or acceptance by any party. The record contains proof of delivery for all named parties (**Exhibit H**).

The continued silence of the Offending fiduciary TRUSTEES has perfected a bonded commercial claim totaling **\$1,111,509,765.00 USD**, grounded in unrebutted affidavits, contract default, denial of constitutional redress, and fiduciary perjury. A bonded commercial claim that all parties agreed to by acquiescence and failure to respond when each party as Public Servant had an official duty to respond.

Furthermore, presentments were made directly to the insurance provider of CITY OF SNYDER, Inc., which failed to answer. As such, its executives are deemed in dishonor and are now subject to commercial liability, as outlined herein above, **NATURE OF PETITION**.

IV. CAUSE FOR ENFORCEMENT

Petitioner seeks judicial enforcement of this privately perfected claim under constitutional authority. This includes:

- Violation of the Right to Petition and Due Process under Article I and V of the Bill of Rights
- Violation of the Right to Redress and access to public records (Tex. Gov't Code § 552.321) and under Article I of the Bill of Rights
- Perjury of oath by all named Fiduciary Trustees of CITY OF SNYDER, Inc.
- Unauthorized seizure and conversion of private property under Article IV of the Bill of Rights
- Violation of the 'Taking Clause' under Article V of the Bill of Rights
- Breach of fiduciary duty and criminal malfeasance
- Copyright infringement of protected legal name "LANE LEE BOWERS©" and all its derivatives
- Commercial dishonor, default, and unrebutted administrative record

Petitioner reserves all rights to enforce separate proceedings against corporate entities and municipal beneficiaries of the conduct herein detailed. The named court officers and agents are personally liable for all actions taken beyond lawful jurisdiction, prohibited to claim protection under qualified immunity.

V. CONSTITUTIONAL DEMAND FOR REMEDY

Petitioner invokes Article I, § 27 of the Texas Constitution and Article I of the U.S. Bill of Rights: the Right to Petition shall not be abridged by rule, algorithm, discretion, or administrative policy. Where due process is denied, and access to redress obstructed, jurisdiction fails. The Court acts only under constitutional law—not internal policy.

May 16, 2025, Petition for Enforcement of Perfected Private Remedy

PETITION FOR ENFORCEMENT OF PERFECTED PRIVATE REMEDY

The Petitioner's rights herein expressed are not requests for permission—they are demands for remedy, affirmed by Article VII of the Bill of Rights and the Law of the Land. No public servant, clerk, or software filter may deny these rights lawfully. Habeas corpus applies wherever liberty is constrained, or restricted, including algorithmic exclusion, misidentification, or legal fiction substitution. (See also Tex. Const. Art. I § 13, § 19.)

PETITION FOR ENFORCEMENT OF PERFECTED PRIVATE REMEDY

VII. RESERVATION OF CORPORATE LIABILITY

MAXIM ~ Purpose: *Respondeat superior*. **Let the principal answer.**

4 Co. Inst. 114; 2 Bouv. Inst. n. 1337; 4 Bouv. Inst. n. 3586.

Petitioner, the Living Man, again affirms that this Petition for Enforcement is brought exclusively against the named living men and women, acting as *Public Servant Fiduciary TRUSTEES* under oath of office, stand in dishonor, default, and breach of lawful obligation as documented through the perfected administrative record.

Also included in this Petition for Enforcement are the fiduciary principals of **Texas Municipal League Intergovernmental Risk Pool (TMLIRP)**, executive staff in administrator and management capacities who failed to discharge fiduciary duties and rebut commercial presentment, (see **EXHIBIT P**). Their silence establishes dishonor, breach of suretyship, and personal liability which will be addressed in a fully distinct additional presentment for enforcement of this present-adjudged matter.

While the municipal corporations known as **CITY OF SNYDER, Inc.**, and its risk management agent, the **Texas Municipal League Intergovernmental Risk Pool (TMLIRP)**, are not named offending parties herein, their ongoing participation in shielding fiduciary misconduct, withholding remedy, and obstructing public accountability has been duly noted and reserved for future action.

This reservation includes, without limitation, the right to initiate separate judicial proceedings against:

- All corporate entities and legal fictions benefiting from or complicit in the violations herein;
- Named or unnamed executives of the *Texas Municipal League Intergovernmental Risk Pool (TMLIRP)* acting in their fiduciary, suretyship or bonding capacity;
- And any other party shown or evidenced to have conspired to withhold remedy, dishonor lawful notice, or violate constitutionally protected rights under color of law.

Nothing in this Petition shall be construed as a waiver, release, or settlement of any lawful right, claim, lien, or cause of action against the **CITY OF SNYDER, Inc.**, its agents, bonding entities, insurers, or any other commercial beneficiaries. Petitioner reserves all rights to pursue said parties in forthcoming litigation, equity, or commercial enforcement as required by law and necessity.

This clause is made as lawful reservation under the right of self-governance, with express inclusiveness, explicitly without waiver of standing or lawful claim.

VIII. DAMAGES & RELIEF DEMANDED

1. Entry of **Default Judgment** against all Lien Debtors.
2. Recognition of **\$27,787,745.00 USD** as initial bonded claim value.

May 16, 2025, Petition for Enforcement of Perfected Private Remedy

PETITION FOR ENFORCEMENT OF PERFECTED PRIVATE REMEDY

3. Judicial recognition of total perfected bonded value in the amount of **\$1,111,509,765.00 USD**. (see **EXHIBIT D**)
4. Issuance of judicial order, writ, or lien to secure enforcement.
5. Issuance of judicial order, writ, or stay back-dated to **February 14, 2025**, for ANY property Lien Debtors may have purposefully liquidated to avoid **Default Judgment** collection of perfected claim.
6. Court declaration of all unrebutted notices as true, lawful, and final.
7. Order for publication and public notice at local Custodian of records of commercial default.
8. Mandate the immediate removal from public office of all named *Public Servant Fiduciary* **TRUSTEES** found in default, due to breach of trust, constitutional violations, and failure of duty under color of law.
9. Mandate that the official employment record of each *Public Servant Fiduciary* **TRUSTEES** in default be updated to reflect their breach of fiduciary duty, willful dishonor, and violations against the public trust, for permanent administrative and legal record.
10. Issuance of writ of execution to the Scurry County Sheriff's Department for the collection of property against the judgment.
11. Judicial acknowledgment of **Petitioner's** status as a *Living Man*, domiciled on the *Land and Soil* of the **Republic of Texas**, exercising constitutionally secured rights and standing *in propria persona*.
12. Entry of court order formally recognizing all prior *administrative notices, affidavits, and defaults* served upon the Lien Debtors as conclusive evidence under the rules of estoppel, and res judicata where applicable.
13. Award of lawful compensation for materials, postage, documentation, preparation time, printing, mailing, filing, and Notarial services expended over the course of the 9-month administrative process, in excess of 2,850 hours. (**Exhibit Z**)
14. Issuance of a declaratory judgment confirming that the *perfected Private Remedy* and *commercial obligation is lawful, binding, and enforceable in any lawful venue*.

RESERVATION OF ENFORCEMENT RIGHTS THROUGH ALTERNATIVE MEANS

Petitioner expressly reserves all lawful rights, remedies, and commercial enforcement options under constitutional, common, and international law, should this honorable court delay or refuse to act on its duty to enforce the perfected obligation. Failure of the court to provide timely relief shall not extinguish Petitioner's lawful claim, nor limit enforcement through alternate lawful jurisdictions, private administrative process, public notice, bonded lien, or commercial offset. This reservation stands as a formal notice of continued right to pursue remedy beyond the jurisdictional venue, including, but not limited to, executive notice, international complaint, and further legal proceedings against all obstructing agents or officers.

This Petition affirms that the Offending Parties are acting outside lawful scope of their respective offices with no cloak remaining or claim of immunity. Perjury of oath, barratry, and commercial dishonor are not protected by statute. The record is complete, the evidence is public, and the judgment is now demanded.

PETITION FOR ENFORCEMENT OF PERFECTED PRIVATE REMEDY

IX: RESERVATION OF RIGHTS

Petitioner explicitly reserves all rights, remedies, titles, and immunities afforded under natural law, common law, commercial law, the Constitution of the Republic of Texas (1836), and the Constitution for the United States of America (1787). Nothing herein shall be construed as a waiver of any right or as a grant of jurisdiction without the explicit consent of the Petitioner. Petitioner acts in full capacity as a Living Man, *in propria persona*, with full authority to compel performance, invoke remedy, and direct enforcement.

IX § A. COMMERCIAL RESERVATION OF ASSIGNABILITY AND SEGREGATION RIGHTS

Lien Claimant reserves all commercial rights to separate, bundle, assign, transfer, or reallocate any portion of this perfected obligation, or any derivative instrument arising from it, at any time and in any lawful manner deemed appropriate. This includes, but is not limited to: securitization, monetization, collateralization, settlement, or lawful assignment for equivalent value or remedy. No agency, court, entity, or office shall interfere with or impede the Lien Claimant's exercise of these rights, whether prior to or following adjudication.

Each named Lien Debtor is individually and severally liable for the full amount listed in the perfected Claim of Lien / Affidavit of Obligation as of February 14th, 2025. No shared liability or offset shall diminish this obligation unless explicitly granted by the Lien Claimant. The contractual terms remain binding across jurisdictions and commercial forums.

Upon judicial adjudication of this Petition, each Lien Debtor shall stand individually segregated from the others, constituting an independent debt obligor. No portion of the perfected sum shall be discharged by partial satisfaction unless explicitly agreed by the Lien Claimant.

IX § B. RESERVED COMMERCIAL RIGHTS FOR SECURITIZATION AND TRANSFERABILITY

Lien Claimant reserves all rights to classify or convert this perfected obligation—or any portion thereof—into a lawful financial instrument for purposes of securitization, collateralization, or monetization. This includes application for or assignment of a CUSIP, ISIN, or equivalent identifier for lawful marketability and recognition.

This judgment or instrument may be negotiated or transacted in domestic or international commercial venues, and the Lien Claimant retains the right to register, assign, or enforce it across lawful jurisdictions.

IX § C. RESERVATION OF FORECLOSURE AND NOTIFICATION RIGHTS

In the event of non-satisfaction of this bonded or adjudicated obligation, the Lien Claimant reserves the right to initiate foreclosure upon any property—real, personal, tangible, intangible—owned or

controlled by any Lien Debtor, and from any source whatsoever, present or future, as satisfaction for the outstanding claim.

IX § D. ENFORCEMENT & NOTICE TO THIRD PARTIES

Lien Claimant reserves the right to report the perfected commercial obligation and adjudicated claim to public and private entities for lawful notice. These include: Experian, Equifax, TransUnion, Dun & Bradstreet, LexisNexis, insurance companies, financial underwriters, employment verifiers, and any regulatory or government body with oversight responsibilities.

Such reports shall reflect factual, non-defamatory records of the Lien Debtors' commercial default and obligation under law. The full record of presentment, default, and perfected lien shall remain accessible for lawful verification and enforcement.

IX § E. CONCLUSION: FINAL RESERVATION OF RIGHTS DECLARATION:

All rights reserved herein are self-executing, non-revocable, and binding in equity, contract, and commerce. Nothing in this petition shall be construed as a waiver, abandonment, or delegation of any natural or commercial right of enforcement, conversion, or remedy unless explicitly stated and-or granted by the Lien Claimant.

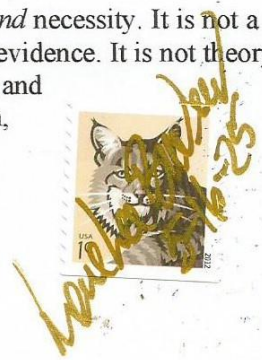

X. FINAL AFFIRMATION

This **PETITION FOR ENFORCEMENT OF PERFECTED PRIVATE REMEDY Affidavit** and the supporting evidentiary records are lawfully affirmed in the presence of **Jehovah**, Creator of the all-in-all, and sealed by My Living Hand and Word as unambiguous testimony to the FACTS. My Living Words as documented in *all presentments stand* are self-evident as a self-executing contractual agreement resulting in a perfected lien instrument, binding to all NAMED parties, and now enforceable by any lawful court with competent standing. The evidentiary records, party-specific notices, and settlement offers are archived and accessible at: <https://Res.JudicataClaim.com/Judicial-Enforcement-Petition>

DECLARATION IN HONOR OF TRUTH AND PEACE

I, Lane Lee Bowers, a Living Sentient Man, come not in vengeance nor supplication, but in full capacity as one endowed by Jehovah, Creator of the all-in-all, to exercise My right of self-governance, redress, and peaceable lawful remedy. I move under no presumption, but in full honor of My perfected record, My unalienable rights, and the lawful process by which remedy has been solidified and now due.

This Petition is not born of rage, but of *conscious decisiveness and* necessity. It is not a plea, but a Cognizant Presentment, and complete and FULL body of evidence. It is not theory, but testimony to FACTS — affirmed by My Living Word, witnessed and evidenced by FACTS of record, governed by the divine order of truth, NOT presumptive, but light unveiling concealment.

May 16, 2025, Petition for Enforcement of Perfected Private Remedy

PETITION FOR ENFORCEMENT OF PERFECTED PRIVATE REMEDY

By My Living Hand, I affirm that all acts herein flow from My duty to uphold peace, integrity, and law — and that those who now stand in dishonor before this court do so by their own willful refusal to answer truth when truth was spoken. This cause is just, this claim is perfected, and this court is bound to act in righteousness as pledge to fairness and justice insists — not as procedural tradition or routine.

Let this record serve as a notice to all who read it: the Spirit of Truth governs the affairs of men, and no man, agent, or institution shall prevail in fiction against the law of the Living. What has been bound in dishonor must be loosed in remedy, and what has been perfected in silence shall now speak in judgment.

NOTICE OF MONETARY CONSTRAINT ~ PUBLIC RESOLUTION #10 RESERVATION

Petitioner hereby places this court on notice that all obligations alleged within this Petition, and all rights asserted for enforcement, are rooted in perfected private commercial remedy pursuant to common law and constitutional authority. Petitioner does not seek permission to transact under a bankrupt monetary system but invokes the remedy acknowledged in **Public Resolution #10** (HJR-192, June 5, 1933), which prohibits compelled performance in the absence of lawful money. All debts, duties, and obligations owed to Petitioner are hereby declared to be lawfully bonded, perfected, and subject to discharge, offset, or liquidation in accordance with commercial law, constitutional constraints, and the remedy available under the Supreme Law of the Land. Petitioner does not act as surety for any public debt and reserves all lawful rights and remedies in full.

⚠ NOTICE OF ESCALATION AND LAWFUL WARNING:

Let it be entered into this Courts records that should officers of this Court — by Willful and Knowing acts, omissions, presumptions, or internal or external policy — refuse to accept, file, obstruct, or dishonor this *Petition for Enforcement of Perfected Private Remedy*, I, Lane Lee Bowers, a Living Sentient Man, Lien Claimant, shall immediately proceed to lodge formal grievance with the President of the United States and the Department of Justice. This will include the full administrative record, all unrebutted affidavits, proof of dishonor, and evidence of deprivation of Right under Color of Law by this Court.

This is not a threat — it is a lawful reservation of My Right to escalate remedy upon any further obstruction and or denial of Lawful Remedy. I do not consent to unlawful delays, filtering, or dismissal.

*“This Presentment, **PETITION FOR ENFORCEMENT OF PERFECTED PRIVATE REMEDY** is Respectfully Executed without the United States, Affirmed Honorably, in Peace, by the Living Hand of a Sentient Man, Lane Lee Bowers, in propria persona. Let this Courts Record Show, Remedy is Demanded, Truth has been Conveyed and Thusly Sealed.”*

PETITION FOR ENFORCEMENT OF PERFECTED PRIVATE REMEDY

PERFECTED DEFAULT AND JUDICIAL DISHONOR CONFIRMED

Upon lawful filing and service of My Counterclaim on September 27, 2024, arising from the same transaction as citation #E020937, the opposing parties—Trustees and Officers of the CITY OF SNYDER, Inc.—became bound under Texas Rules of Civil Procedure Rule 97 to answer and rebut, specifically and under oath, as mandated by Rule 92 and Rule 93. Their failure to respond lawfully constituted confession and perfected default by operation of law, thereby collapsing jurisdiction against Me and admitting My claims as true. The Snyder Municipal Court’s continued actions thereafter—including hearings, summonses, and prosecution efforts—constituted barratry, commercial dishonor, malfeasance of office, and perjury of oath, all of which now stand evidenced and memorialized herein as matters of perfected record demanding lawful enforcement and remedy.

Declaration of Self-Governance, Autonomy, and Self-Sovereignty Private Property Rights, Limits to governmental Interference in My Life.

Law as of September 11, 2024, which Evidencing Instrument may be viewed at <https://TinyURL.com/LaneLeeBowers> with a Limitation on its use in ANY Variation of 'spelling' without explicit permission from Me, Lane, in any instance, carrying with it ANY Unauthorized use FEE of \$100,000.00 per use, per instance, per entity choosing to use My Intellectual Property.

Preamble

Whereas it is self-evident that all Men are created equal, endowed by Jchovah the Creator of the all-in-all with unalienable Rights, among these Life, Liberty, and Property, I, Lane, am a Living Sentient Man, do hereby assert My Lawful Rights, standing and Capacity as a Sovereign American, not a subject, nor a thing, and certainly NOT PROPERTY as giving another entity fealty or involuntary servitude, compelled contracts, nor any presumed authority beyond My freely given consent.

Article I – Lane’s Lawful Right of Self-Sovereignty, Self-Governance/Autonomy

1. As My Rightful Birthright dictates, I am the ONLY, Sole and Rightful Authority over My Life, My Affairs, My Body, My Mind, My Private Property and My Private Business.
2. In NO instance DO I ever consent to any presumption, implication, or construct that attempts to diminish, override, sabotage or convert My unalienable Rights into privileges granted, dispensed or revoked by a State, an agency, or any artificial *legal* construct or instrumentality of control.
3. As affirmed in Chisholm v. Georgia, 2 U.S. 419 (1793), “Sovereignty resides in the People.” I, Lane am one of the People, one of the Posterity referenced in the Preamble of the Constitution for the united States of America and I retain that Sovereignty *Lawfully* as My American Birthright, with Explicit Prejudice.

Article II – Lane’s Lawful Right to Contractual Integrity in Agreements and Consent

1. I affirm that all contracts must be entered into voluntarily, explicitly with full disclosure, with beneficial equitable mutual consideration, and mutual assent, consent and agreement (U.S. v. Lee, 106 U.S. 196).
2. No lawful authority exists which may force, coerce or compel Me to contract, make agreement with another, or benefit without My knowing and willing consent, especially if such contract is against My better judgment, interests or without equal consideration.
3. I, Lane, DEMAND the STATE to honor My Right to Privacy as I rescind all previous licenses compelling ambiguous performance, privilege or obligation specifically expired driver’s license #00513230 and DEMAND its removal from ALL STATES Systems along with ANY ‘person’ ens legis attached thereto resembling My COPYRIGHT protected Intellectual Property “LANE LEE BOWERS@”.
4. ANY license, registration, or *legal* obligation presumed binding without My consent is null and void, ab initio.

Article III – Lane’s Right to Private Property is Sacred

1. My PRIVATE Property is an extension of Myself. What I acquire due to My own personal energy and labor, PRIVATE Property which I own absolute, held in allodial title, not by privilege but by Natural Right.

Private Property Rights, Limits to governmental Interference in My Life.

2. I, *Lane*, forbid, disallow registration of My PRIVATE Property with any state or federal agency as I am NOT Willing to transfer My ownership or dominion of such PRIVATE Property that My labor afforded Me.
3. As the U.S. Supreme Court stated in *U.S. v. Lynah*, 188 U.S. 445 (1903), any taking of PRIVATE Property without just compensation is unconstitutional and unlawful.

Article IV – Unambiguous Distinction Between *Lane* and the Artificial ‘person’ *ens legis*

1. I am not a corporation, trust, estate, *ens legis*, or other styled artificial ‘person’ created by statute. I am a Living Sentient Man, a Live being, born with FULL Capacity of Self-Autonomy, Self-Governance, alive as being a Self-Sovereign Living Sentient Man.
2. Any attempt to merge, pirate or confuse the identity of this Living Sentient Man with a *legal* fiction (e.g., JOHN DOE or similar all-capital letter designations) is deception and an act of BARRATRY and Constructive FRAUD.
3. I retain ALL of My Lawful Rights to *speak, act, and contract* ONLY as I deem beneficial and ONLY in My PRIVATE Capacity, and at all times retain My Lawful Right to reject the same for cause at My Own discretion and I will exercise My Lawful Right to reject any presumed liability that attaches to an entity not of My creation.

Article V – *Lane’s* Lawful Right to Limit Governmental Authority

1. The Constitution for the united States ordained by the Sovereign People of the original 13 united colonies of America purposely established to limit the powers of government, to Serve and Protect the Rights of the People, and ONLY with authority given by and under the authority by the People’s consent.
2. As the First Article of the Bill of Rights states, “*Congress shall make no law*” abridging the Rights of the People, and as such, any rule, regulation, code, or statute that infringes upon My Rights without My consent or Due Process is repugnant to the Constitution and void (*Marbury v. Madison*, 5 U.S. 137 (1803)).
3. I, *Lane*, ONLY recognize government as trustees, fiduciaries with duties as servant to Myself and all other Sovereign American People, NOT MASTER. Government exists ONLY by the consent of the governed — and I DO NOT consent to the expansion of authority beyond that which I have granted knowingly, willingly and voluntarily, nor beyond the bounds explicitly established by the Constitution and Bill of Rights.

Article VI – MAXIMS of Law ~ *Lane’s* Lawful Shield

- I, *Lane*, stand upon the following established MAXIMS of Law:
- He who exercises his rights harms no one.
 - A law that is unjust is no law at all.
 - What is mine cannot be taken from me without my consent.
 - Where there is a right, there is a remedy.
 - Law does not compel the impossible.
 - Contracts made under duress are not binding.

EXHIBIT 2 ~ Representative Summary Filed in the Record for Jurisdictional and Constitutional Context — Not Offered for Adjudication but as Foundational Averment.

The Bill of Rights Concerning Citation ~ NOTICE of COUNTERCLAIM ~ Citation #E020937 ~ Lawful Just Averment

An explanation for placing the **COUNTERCLAIM** in all the *Public Servant's* possession

I am drawing a clear and principled line between My treatment by municipal agents and the direct violation of the Original Bill of Rights. Pointing out how I was *cited, threatened, stolen from and compelled* into *administrative compliance* without any **Lawful Contract, Injured Party, or Constitutional Due Process**. This mirrors the exact abuses the Founders warned against *the use of assumed authority by government actors* who operate under corporate **presumption rather than enumerated authority, compelling performance** from men without standing under natural law. A **presumption** was *Offered as an obligation on My part to appear, defend, or submit Myself* to a legal fiction, stands in direct **contradiction** to the Original Bill of Rights – **First, Fourth, Fifth, Sixth, Ninth, and Tenth Articles of Inalienable Guaranteed Protections** —rights that were not only ignored but functionally denied by the process I was *Forced to Endure*.

I assert that this treatment equates to being held accountable under a system to which I have **NOT consented**—a corporate venue acting as if it possesses jurisdiction over *My Body, Conscience, and PRIVATE Property*. Exhibit L makes it undeniably certain: I am a **Living Sentient Man, not a corporate entity**, and any *demand made upon Me, the Living Man, absent due process and lawful contract* is not only invalid, *but also an affront and insult* to the very founding principles of this Republic. *Not to mention FRAUDULENT* in its *root nature*, as applied by municipal corporate officers *acting outside the scope of lawful authority*. The citation is used as a weapon to deny natural liberty under color of law—exactly the type of tyranny the **Bill of Rights** was enacted to prevent.

The **Bill of Rights Concerning Citation ~ NOTICE of COUNTERCLAIM ~ Citation #E020937 ~ Lawful Just Averment** is segregated ~ recounted with each of the **Bill of Rights initial Ten Articles** clarifying how the **Bill of Rights Secures and Guarantees My Protection** against the specific acts I suffered on September 11th, 2024, and **Why I should not have been subjected to such treatment as an American by other Americans** acting under **color of law**, and from some sort of *license or civil authority* **THINKING** as though they were *shielded behind*, reliant upon 'Qualified Immunity' ~ under *governmental protections for robbing and stealing from one of their own*.

Representative Summary:

This **Foundational Exhibit** is entered into the record to assert and memorialize the **Petitioner's** lawful *capacity, private jurisdiction, and principled resistance to administrative overreach under color of law*. **Authored** as a matter of *right and duty*, this **averment** establishes the *reasoned, constitutional, and moral basis* for the issuance of the Original **COUNTERCLAIM** on **September 27, 2024**. It outlines, in precise terms, the violations against the **Petitioner's** unalienable rights, including unlawful compulsion, lack of due process, and the fictitious presumption of jurisdiction absent verified authority or consent.

It stands not merely as **NOTICE**, but as a **Declaration of Boundaries—a DEMAND** that government actors return to their proper role as agents, not masters. *This Exhibit* frames the **PETITION FOR ENFORCEMENT** by clarifying that the **Petitioner** acts not in rebellion, but in *lawful duty to truth, remedy, and the Public TRUST*. Bill of Rights Concerning Citation ~ NOTICE of COUNTERCLAIM ~ Citation #E020937 ~ Lawful Just Averment
By: Bowers, Lane Lee, Beneficiary, Agent, PRIVATE Attorney-in-FACT FOR: ens legis LANE LEE BOWERS

If you do not understand Your Rights as an American, You should study to realize the POWER of Expressing Your Will to Protect Yourself, Your Property and People You care about under their guidance.

It is expedient that EVERY American be aware of their unalienable Rights Secured and Guaranteed by the Articles of the Constitution for the united States of America and the Bill of Rights. Government was instituted at the expressed consent of those governed, this is why WHAT the Bill of Rights declared in favor of the Sovereign American Citizens is of Supreme Importance for every American to understand and is so fundamentally necessary to Our Collective Freedom and Liberty to Live to pursue happiness without the molestation of an authoritarian ruling class as we see across America today. We MUST know our Secure and Guaranteed Rights the founding documents have explicitly expressed for of us as the Posterity to it, so we know we are able to Exercise Our Unalienable Rights without fear as One of the Posterity the Preamble Spoke of.

You must understand and realize, as I have for my own life, that we as Sovereign American Citizens have been put at a psychological disadvantage because of the public school, education systems insistence of instilling training and education that deliberately incapacitates the American People's ability to have ANY semblance of critical thinking to OPENLY understand what has happened since 1776.

It is with that thought, I declare the following for my own purposes and protections which what follows provides me, but also for you to consciously become aware and understand much more about your surroundings which may spark Your brain cells to think differently about America's current condition.

First you must understand that it wasn't Washington, Hamilton, Jefferson, Adams or ANY of those so-called "FOUNDERS" who wrote the Declaration of 1776 nor was it any of them specifically ALONE who wrote the Bill of Rights. The authors of all the documents that initially made the World recognize America as a Sovereign Nation were written and approved by the Men of the Original 13 Colonies through their Lawful 1776 Republican structure who sent Delegates to the seat of government, at the time Philadelphia. Thus, every Sovereign American Citizen should thank their lucky stars that the Men of those 13 Colonies put down on paper for the entire World to be Witness thereof, that the 1776 - We the People reserved their Lawful Rights against a tyrannical King of their time. As far as today, the king comes in a different form, the form of a CORPORATION, which government was set up in 1871 making Washington DC its own city state, in the same fashion as the City of London and Vatican City. These are the 3 RULING CITY STATES on this planet who have total control over ALL governments and ALL financial dealings between them.

When Washington, District of Columbia, in 1871 became its own city state, that CORPORATE structure started declaring Acts, STATUTES and Codes which were nothing more than CORPORATE Policy that then and now ONLY

Representative Summary

September 27th, 2024,

NOTICE of **COUNTERCLAIM** ~ Citation #**E020937** ~ Lawful Just Averment

NOTICE of **COUNTERCLAIM** ~ Citation #**E020937** ~ An Averment of Lawful Principle:

On September 27, 2024, I, Lane Lee Bowers, in full private capacity as a Living Sentient Man, executed and delivered a lawful and bonded **COUNTERCLAIM** in response to an administrative citation initiated by four (4) officers operating under the corporate entity known as **CITY OF SNYDER, INC.** This **COUNTERCLAIM** was tendered in honor, under full commercial liability, as a *rebuttal* and *lawful challenge to presumptive jurisdiction, administrative dishonor, and the unlawful seizure of My PRIVATE Property* by state actors acting under color of law.

The **COUNTERCLAIM** clearly asserted that *no injured party existed, no verified complaint was entered, and no due process was afforded.* It established that the actions taken against *my private self and property* lacked lawful authority and violated secured constitutional protections. The document further asserted My standing in *propria persona* and *sui juris*, affirmed My *rights to private property, travel, and access to justice*, and DEMANDED *point-for-point rebuttal* to all **FACTS, terms, and lawful definitions** provided.

All NAMED Parties were served and *granted sufficient time and opportunity to rebut and cure.* Their failure to respond, *in substance or law*, resulted in *administrative default.* That Default Perfected the **COUNTERCLAIM** and established a final *enforceable commercial claim* in the amount of **\$27,787,745.00 USD**, now forming a lawful foundation of the **BONDED PETITION FOR ENFORCEMENT** presently before this court.

The total outstanding commercial liability established through unrebutted presentments and dishonor now exceeds **\$1.1 billion USD.**

FINAL DECLARATION:

Addendums and Exhibits, final words from Lane...

All the *Addendums* and *Exhibits* pertaining to this COUNTERCLAIM can be viewed at your convenience by going to: ResJudicataClaim.com the site was specifically set up so that you, the recipient of this *NOTICE* has FULL access to ALL the *Relevant Documentation* relating to this *NOTICE*.

This *NOTICE* is the first of three *NOTICES* that will be provided for you, each one giving further validity to the claim I assert within this *NOTICE* each having the force of law in common to all men.

America was founded on the common law of England from where the colonists came, the original people. Inhabitants who had become tired of the tyrannical king desiring freedom and liberty. And here's where the *original documents*; THE DECLARATION, the BILL OF RIGHTS nor the CONSTITUTION, none of them having anything to do with the corporatized society that we live in today. Take a look, in those documents you will not find any of them with STATUTES, Codes, regulations, restrictions, nor public policy. Those came about because of the court decision of *Erie Railroad v. Tompkins* whereby American common law was abrogated because of the *president setting decisions* in that case, basically, *No General Federal Common Law* to this day.

Think about it, *if a single court decision* changed the application of law in America which provides the force of *precedent*, then all the *president setting decisions* I pointed out about traveling without a license or registration is *stare decisis* and FACT. Government *CANNOT* replace My free will right, Forcing me to Contract My unalienable Right of movement away, no matter where I'm at on this planet, not just My Texas movement.

There is the American Republic, while alongside it is the corporatization of what American people have been suffering under since 1871 when Washington DC was established as the seat of government, a CORPORATION. Switching the location from Philadelphia PA to Washington DC where public policy replaced the common law of America.

I empathize, realizing that you most likely don't know these really important *FACTS* nor understand them because the school system does not teach these particulars of history that changed the American way of life. *ALL CORPORATIONS are for profit companies*, even the so-called nonprofit 501c3's are for profit entities, *all* behold to the corporation of the United States the authorizing body allowing corporations to exist *by application* which includes *City of Snyder, Inc.* Who is also *subject or servant* to that same umbrella of corporatizations under and behold to the corporation of the *STATE OF TEXAS, Inc.*, who each are incorporated organizations and for-profit entities masquerading as government under a corporate public policy, *Business-as-usual*, status. Subjecting themselves and their fellow Americans to STATUTES, Codes and regulations which do not apply to sentient beings, as you and I. Corporations *CANNOT* interact with the living, they are *dead*, they have no life, they have no breath, they can't see, they can't feel, they can't touch, they can't eat, *they can't BE AN INJURED PARTY* because they are a piece of paper saying they exist in some damn filing cabinet. They are *dead entities* that's why they *CANNOT* interact with the living, which is who has provided this *NOTICE* to you as a corporate body politic, a *political subdivision* of the *STATE OF TEXAS, Inc.* yes RACKLEY, I am rubbing that sh** in.

It's only because of ignorance of these *FACTS* that this *NOTICE* has been presented. It is with my knowing that you don't know these things that I have compassion and understanding, harboring no ill will for my fellow American who is naive and clueless to the truth that's been hidden within society. The crazy thing is, IT'S right in front of us every day but because of purposely *NON-education* and *cognitive dissonance* we are blinded to the *FACTS* that there are nefarious things happening that we don't quite understand. If you search your consciousness, you will realize I am telling you the truth, because I know that you have questions that nobody seems to have answers for, and I'll just leave it at that for now.

Be it known, the will of Bowers, Lane Lee, *beneficiary*, agent, PRIVATE Attorney-in-Fact for cns legis LANE LEE BOWERS presents this lawful *NOTICE* as estoppel, ALL presentments put forth are subordinate to full reservation of constitutionally secured rights, without recourse, with prejudice in perpetuity. NOTICE of Dishonor Opportunity To Cure (NODOTC)

Dated: October 21, 2024 / Deposited: October 22, 2024

On October 21, 2024, Petitioner Lane Lee Bowers, *Beneficiary* and PRIVATE Attorney-in-Fact for the Principal (Cestui Que Trust), issued a **NOTICE of Dishonor and Opportunity to Cure (NODOTC)** as a formal continuation of the previously bonded **COUNTERCLAIM** of September 27, 2024. This **NOTICE** was lawfully deposited into the United States Postal System the following day and served upon all previously **NOTICED Public Servant Fiduciary TRUSTEES** by Certified Mail, with five additional parties added due to acts of *obstruction, barratry, and retaliatory misconduct*. Their involvement arose from the unlawful denial of public **BONDING Records** and actions taken by the **CITY OF SNYDER INC. MUNICIPAL COURT**, *considered retaliation* to Petitioner's prior lawful presentments.

The NODOTC restated the record of *unrebutted NOTICE, default, and commercial dishonor* by agents acting under color of office. It provided a second, lawful opportunity—**15 business days plus 2**—for Each **NAMED Party** to *rebut or cure* the pending claims and violations asserted. **These included: failure to provide due process, perjury of oath, and commercial interference with Petitioner's constitutionally secured rights.** This presentment reiterated that *silence constitutes consent*, and that *failure to rebut would invoke administrative judgment and estoppel by acquiescence*. Also included was a formal **DEMAND for BOND and Insurance Disclosure**, citing *fiduciary obligation and published precedent, as remedy and accountability* were lawfully pursued under commercial venue.

Final Declaration:

Petitioner sealed this BONDED presentment in full lawful capacity and commercial liability, invoking constitutional standing, the Postal Rule, and common law contract principles. As of October 21, 2024, all **NAMED Public Servant Fiduciary TRUSTEES** who failed to respond or cure are now held *individually and severally liable* for the *breach of fiduciary duty, dishonor, and willful misconduct*. Their liability arises **NOT from allegation alone**, but from their *silence, non-performance, and dishonored duty* under law and trust. The **NODOTC and DEMAND for BOND Disclosure** are incorporated herein in summary form.

The following Pages are **Authentic Copies** of the **Original Presentment** deposited with the local USPS October 22, 2024, the entire Presentment including: USPS Mailings and receipts may be accessed at:

EXHIBIT D - Representative Summary
NOTICE OF OBLIGATION DEPOSITED VIA USPS December 16, 2024

NOTICE CLAIM OF LIEN / AFFIDAVIT OF OBLIGATION DECEMBER 13, 2024

Now, I have been overly forthcoming with you and totally transparent about my intentions so that we each have a FULL and complete cognizant awareness as to how this contract affects you, beginning with how you have already agreed to allow me to collect ANY Obligation you have to Me, in ANY Lawful manner as I see fit. And that I would be allowed to communicate the JUDGMENT ~ Claim of Lien / Affidavit of Obligation to fulfill the contract with whatever agency necessary to make myself whole.

There are multiple ways to bring Your Obligation to Me to FULL Settlement.

Just to remind you if you have not taken the initiative to READ the documents, I have been SENDING or publishing on the ResJudicataClaim site:

- Satisfaction of a Lien Obligation by a Lien Debtor may be Settled **ONLY** by One of the Following Options:
1. A categorical **Point-For-Point Rebuttal** (affirmation, denial, or explanation) of every element of the **Lien Claimant's** claim, said rebuttal being also in the form of a commercial affidavit for which the **Lien Debtor** accepts **FULL personal and commercial liability** for.
 2. Satisfaction of **Lien Claimant's** claim by full payment of **DAMAGES** by the **Lien Debtor**.
 3. A voluntary (un-extorted) removal of the lien by the **Lien Claimant** or his heirs and assigns, if such has been provided for. In other words, the **Lien Claimant** provide the **Lien Debtor** **Leniency, Clemency or Mercy**.
 4. A **Decision By An Impartial, Unbiased, Untainted Jury of One's Peers** Lawfully convened and properly conducted, **NOT Manipulated** by a Judge, **DISTRICT** Attorney, any public official, or other person).

The opportunity to settle this controversy by **Option 1**. has passed because you chose NOT to respond and/or rebut a single word of the **COUNTERCLAIM TO CITATION #E020937**, which was clearly conveyed in every communication I have sent to you since September 27, 2024.

Again, expressing what you have Agreed to with ALL the Stipulations, Terms and parameters of My initial **COUNTERCLAIM** to citation **#E020937** of September 27, 2024.

PAGE 16 - STATES THE FOLLOWING:
 "The **Administrative Process** injured party claims FULL restitution, **DAMAGES** and compensation for injuries sustained. Herein, with this **COUNTERCLAIM**, a contract and agreement between the parties to it, you grant the injured party, **Lane**, full and complete Power of Attorney to settle this matter, your obligation to FULL satisfaction by any means whatsoever allowable within law."

So, **Option 2**. is obviously the option that will be most devastating to you, your family, your future ability to access to enjoy gainful employment or any sort of monetary worth whatsoever. This method also takes from you all you possess now and ever again in the future might have, because the Sum Certain Obligation you are now Obligated to Performance of will certainly take you more than the remaining years of your life to fulfill.

Now, this very moment - TODAY, you are in a tight spot with **NO Way Out** but, you have choices to make based solely on the Mercy I choose to extend to you as a **Fellow Living Man or Woman**, which I will cover right here and now.

Option 3. Is Offered by Me, **Lane** as the **ONLY** Method which allows you to have a semblance of life and things you have been accustomed to enjoying.

DECLARATION OF COMMERCIAL BONDING INTEREST AND NOTICE OF CONSTITUTIONAL INJURY IN THE AMOUNT OF \$27,787,745.00 USD

Filed for Judicial Record with: 132nd DISTRICT COURT, Scurry County, Republic of Texas

I. IDENTITY OF PETITIONER

I, Lane Lee Bowers, a Living Sentient Man, Petitioner, *In Propria Persona, Sui Juris*, do hereby Affirm this *Presentment*, declaring under the Constitution for the united States of America (1787), the Constitution of the Republic of Texas (1836), and principles of natural and customary law, the following:

1. I am a natural man, created by Jehovah the Creator of the all-in-all, located at Snyder, Scurry County, Republic of Texas, endowed with Unalienable Rights as recognized in the Declaration of 1776, Secured and Guaranteed by the constitutions of both Texas and the united States.
2. I am NOT a corporate fiction, nor am I a consenting party to any foreign administrative jurisdiction. I speak for Myself, without intermediary, attorney, or agent, as One of America's Posterity—a Sovereign and true government of America, declaring herein to be in accordance with ALL of America's founding documents.
3. I bring this cause of action in pursuit of Lawful Redress and Enforcement of My Perfected Claim for Finality and Remedy against Public Servant Fiduciary - TRUSTEES who, under Color of law, engaged in interference of My Lawful Private Rights, Property, and Liberty. This action arises from their breach of fiduciary duty to the Public TRUST, failure to disclose bonding instruments, DENIAL of My Secure and Guaranteed constitutional protections, and commercial dishonor of MY Lawful Administrative Process all of which is Substantiated by documented Proof of Service, beginning September 11, 2024.

Let this stand as clarification on the public record: I, Lane Lee Bowers, am not a subject of assumed jurisdiction nor am I a ward of the State. I Stand FULLY in My Self-Governance and Self-Autonomy, not by permission but by Divine Origin, Birthright, reliant solely upon My Creator, My conscience, and My Lawfully Recognized Status as an American Sovereign, a Living Man. Because I have maintained this standing consistently across all prior notices, presentments, and lawful instruments that these Public Servant Fiduciary TRUSTEE Officials now find themselves in the finality of this controversy with Me. Their refusal to acknowledge the Living Man — and their unlawful presumption of authority over My Rights, My Property, My Principal and My Capacity — has brought about this controversy now proceeding toward an Irreversible Enforcement.

II. NATURE OF CONTROVERSY AND CLAIM

This controversy involves nineteen (19) named Public Servant Fiduciary TRUSTEES, under oath of office, acting for the CITY OF SNYDER Inc., a for-profit Political Subdivision of SCURRY County, STATE OF TEXAS, Inc., who have:

- Violated My Right to Redress Grievances under the Bill of Rights - Article I of the united States Constitution and Article I, § 27 of the Texas Constitution.
- Refused to disclose Required Official Surety Bond information upon Lawful requests/DEMAND

Public Servant Fiduciary TRUSTEE: Rustin David Webb Badge #126, 3702 Avenue V, Snyder, Texas, 79549 December 13th 2024, I deposited a letter to Rustin using the USPS Certificate of Mailing.

Rustin came into this Controversy when the CITY OF SNYDER, Inc. MUNICIPAL COURT had Him Sign under penalty of perjury - two Complaints against My Principal, when and after the FACT He was NOT a firsthand knowledge eyewitness to the instance of **September 11, 2024**, when citation # E020937 was issued, so first off Rustin perjured Himself as a NON-Witness to FACTS He had NO First-hand knowledge of, which equates to LYING Under Oath.

Even so, I gave Rustin a 'by' - without monetary damages, if He would comply with the stipulation of the agreement outlined for Him located at: <https://ResJudicataClaim.com/Option-3-RustinWebb>. However, Rustin declined My offer and continues to operate as a peace officer for the CITY OF SNYDER, Inc.

Mandatory Judicial Acknowledgment of Unrebutted COUNTERCLAIM

Where a *Lawful COUNTERCLAIM* is duly presented and served, the accused party — whether styled *plaintiff, petitioner, or complainant* — is lawfully compelled to answer **Point-For-Point** in *verified form, with lawful evidence and specificity*. Failure to rebut **Constitutes Confession By Silence, admission of all material facts alleged, and immediate estoppel against further action on the Original Claim.**

An unrebutted **COUNTERCLAIM** extinguishes the standing of the accuser and divests the court of jurisdiction over the *Original Action* unless and until the **COUNTERCLAIM** is *lawfully satisfied, adjudicated, or otherwise resolved*. **Any proceeding by the court or opposing party absent satisfaction of the COUNTERCLAIM constitutes judicial FRAUD, usurpation of due process, and Commercial Bad Faith in violation of constitutional protections.**

The **COUNTERCLAIM** – Claimant hereby demands immediate judicial recognition of the perfected **COUNTERCLAIM** as *final judgment in equity and law, with Full Authority Reserved to compel enforcement without further delay, obstruction, or administrative interference.*

This Declaration is issued in **Private Capacity for Public RECORD**, and *stands as lawful NOTICE to Any officer, judge, or administrator* who may attempt to circumvent the perfected **COUNTERCLAIM** now *lawfully secured by unrebutted Default.*

MEMORANDUM OF LAW REGARDING PROPER TIMELY RESPONSE

I. Timeliness Governed by Court-Ordered Appearance Date

The **NOTICE** of Citation issued on September 11, 2024, directed the undersigned Lien Claimant to appear or respond no later than **October 1, 2024**. In compliance with said **NOTICE**, the Lien Claimant, acting in full capacity and honor, timely issued a **COUNTERCLAIM** on **September 27, 2024** — well within the court-established period to answer or otherwise plead.

II. Commercial "72-Hour Rule" Inapplicable to Judicial Process

The common commercial principle allowing for rescission within seventy-two (72) hours pertains to private commercial transactions (e.g., check cancellations, loan rescissions, and private party contract reversals) and carries no jurisdictional authority over judicially issued citations or court-ordered deadlines. No rule, law, or custom requires a **COUNTERCLAIM** or responsive pleading to be filed within 72 hours of a citation's issuance when the court itself has provided a separate, specific deadline.

Mandatory Judicial Acknowledgment of Unrebutted COUNTERCLAIM

III. Preservation of Rights and Timely Exercise of Redress

Lien Claimant's administrative COUNTERCLAIM was executed and perfected within the lawful response window as provided by the initiating instrument (the citation). No presumption of default, dishonor, or waiver can lawfully attach where performance was timely rendered under the controlling judicial NOTICE, the citation.

IV. Conclusion

As a matter of law, fact, and good conscience, Lien Claimant's COUNTERCLAIM stands as a timely, lawful, and properly perfected answer to the underlying accusation. Any attempt to impose private commercial rescission standards upon judicial process is a colorable misapplication of law and SHALL be regarded as administratively null and void.

Sincerely and Honorably, Without Recourse,

DECLARATION OF INK USE AND COLOR RESERVATION

I, **Lane Lee Bowers**, a *Living Sentient Man*, in full capacity as **Lien Claimant** and holder of commercial, lawful, and private authority, do hereby make public declaration concerning **My** use of color and ink as it relates to **My documents, presentments, affidavits, and BONDED Instruments**.

Let it be known that the color of ink used in any presentment **Authored** by **Me** is not incidental or decorative, but intentional, symbolic, and foundational to **My** customary law practice, representing the nature and capacity in which I appear. **Ink is the visible trace of My Living Word**, and I hereby reserve the right to use any color of ink I choose for the purpose of distinguishing **My documents** and **Affixing My Sovereign Identity and Lawful Intent** therein.

Blue ink is commonly used to establish originality and authenticity in contrast to mechanical or reproduced signatures. It serves as a **Lawful and Administrative mark of My Living Authority**.

Purple ink symbolizes discernment, nobility, and balanced judgment — historically recognized as the ink of priest-kings, wise rulers, and equity in action. Its use conveys **My Capacity as a Living Man Standing in Lawful Dominion, Rendering Judgment in Peace**.

Gold ink signifies **Sovereign Light, Incorruptibility, Divine Favor, and Finality**. When used, it is an emblem of **Irrevocable Truth and Self-Evident Authority** proceeding from **My Originating Will and Hand**, under the **governance of My Conscience and My Creator, Jehovah**.

While administrative agencies, courts, or clerks may presume only **black or blue ink** as standard, no code, rule, or administrative preference shall limit or govern or dictate **My Lawful use of ANY ink color** as a matter of *customary law, private process, or commercial declaration*. Any such limitation **Constitutes An Infringement** upon **My Right to Self-Expression, Self-Governance, and PRIVATE Contract**.

I expressly reserve **My right** to use any ink color, including but not limited to **black, blue, purple, red, or gold**, as a function of **My Intent** to distinguish **My Commercial Identity and Lawful Authority as a Living Man**. This reservation applies equally to *private, administrative, judicial, and international instruments*, whether in print, scanned, archived, or conveyed digitally.

This declaration shall accompany and apply to any and all presentments where **I Intentionally Apply My Autograph** and **SHALL BE** understood as a *Lawful Usage, Symbolism, and a Reservation of My Rights in FULL ALIGNMENT with My Standing and Station as the Originating Principal, Author and Autographer of My Own Instruments*.

Affirmed without the United States, on the Land and Soil of Snyder, Scurry County, Republic of Texas.

DECLARATION OF BONDED COMMERCIAL STATUS Filed for Judicial Record of Commercial Notice and Lawful Standing

Authored this 5th Day of May 2025

I, **Lane Lee Bowers**©, a *Living Sentient Man* on the *Land and Soil* of the **Republic of Texas**, do hereby declare and affirm, in full capacity, the **BONDED** Commercial Status of all Presentments issued under **My Living Hand**, entered into the **Public and Private Record** as *Lawful Instruments of Truth, Obligation, and Sovereign Authorship*.

This Declaration applies to all **NOTICES**, *affidavits, statements, declarations, and claims* **Authored** by Me and presented in relation to the **PRIVATE Administrative Procedure** initiated on **September 27, 2024**, against the *municipal and city actors* within the incorporated venue known as *Snyder, Scurry County, Texas*.

Each and every such document was duly **BONDED** by way of a United States Postage Stamp affixed and canceled by *My Living Autograph*, signifying the following:

- ◆ **Prepaid Commercial Duty** — fulfilling all postal and commercial presentment obligations under the law of nations and Federal monetary doctrine;
- ◆ **Full Assumption of Commercial Liability** — executed in honor, under My own will and hand, with all rights expressly reserved and without waiver;
- ◆ **Creation of a Lawful Commercial Presentment** — perfected into the record and unrebutted unless responded to by lawful and verifiable substance;
- ◆ **Satisfaction and Discharge of Public Obligation** — under public policy as affirmed by Public Resolution No. 10 (HJR 192 of 1933), whereby all such stamped and canceled presentments become commercial events of value, equity, and lawful standing.

The cancellation of each stamp by *My Autograph* constitutes a *visible, traceable seal* of **Authorship and performance**, and Lawfully Transforms Each Written Instrument into a **BONDED Presentment**. This act irrevocably converts the *private tender* into a *self-executing, prepaid obligation* — now settled into the **Public Record**, **NOT** as a plea, but as a **Completed RECORD** of *Remedy and Standing*.

This court is hereby placed on **NOTICE** that these presentments are:

- ✓ Lawful **RECORDS** by a *Living Man*;
- ✓ Executed **NOTICES** of *Standing and Exhaustion*;
- ✓ **Settled Claims NOT** *subject to negotiation*;
- ✓ **Fiduciary Presentments NOT** *requiring permission*;
- ✓ **Finalized Instruments of Redress**, presented under *Constitutional and Commercial Authority*.

They are **NOT** applications, **NOT** petitions for favor, and **NOT** appeals to jurisdiction. They are the culmination of a **FULL and Procedurally Proper PRIVATE Remedy by Administrative Process** — which

local actors failed to rebut — and now rest upon this Court's RECORD under *commercial seal* and *bonded verification*.

Let this Court's RECORD reflect the following:

- ▶ The nature of each presentment is private-to-public conveyance;
- ▶ The duty for commercial registration has been satisfied via bonded postage;
- ▶ No further validation by officer, clerk, or judge is required or requested.

I execute this Declaration as a *matter* of Lawful RECORD and Public NOTICE, NOT adjudication, on this 5th Day of May 2025, upon the Land and Soil of the Republic of Texas.

EXHIBIT P - Representative Summary

Chronological Record of Texas Public Information Act Violations
Committed by CITY OF SNYDER, Inc. and other NAMED Parties.

This **EXHIBIT P** is a BONDED and *Notarized Evidentiary Compilation* documenting repeated, *willful deliberate violations* of the Texas Public Information Act (TPIA) by CITY OF SNYDER, Inc. officials, employees, and their insurer, Texas Municipal League.

EXHIBIT P documents *Evidence* and *Proof* of **Seven Successive**, un rebutted requests for bonding and insurance information—lawfully made by the undersigned in accordance with Texas Government Code § 552—which were denied, ignored, or dishonored. Each failure to respond constitutes a breach of fiduciary duty, obstruction of open record law, and actionable harm to the injured party.

This **EXHIBIT P** - *chronicles the progression of administrative presentments, mailed demands, and Final NOTICES* lawfully served upon city officers, trustees, and the city secretary, including *proofs of mailing and receipts*. These requests are not speculative; they are anchored in statutory obligation and *secured rights to transparency, accountability, and remedy*. This refusal constitutes both a *breach of fiduciary obligation* and a *willful obstruction of open governance*, and it *has been formally recorded as a direct contributor to the pending bonded liability now subject to judicial enforcement*.

EXHIBIT P - Representative Summary

Chronological Record of Texas Public Information Act Violations
Committed by CITY OF SNYDER, Inc. and other NAMED Parties.

Chronological Evidence of **CITY OF SNYDER, Inc. Public Officials, employees and Insurer, Texas MUNICIPAL League Principals**, Unlawfully withholding **Public BOND Information** from an **Injured Party**, in *Willful and Knowing*, Violation of **Texas Public Information Act** known as Texas Open Records Act.

The Texas PIA was initially known as the Texas Open Records Act and was approved by the state legislature in 1973. The statutes of the PIA are codified in Chapter 552 of the Texas Government Code. The PIA is the basis of the government's policy for open government in the state. The Act aims to keep the government accountable to its people and improve the public's participation in government.

This PUBLISHED Texas Law is required to be adhered to by every, city, municipality, political subdivision, state agency without question.

FIRST REQUEST AND DENIAL SEPTEMBER 11TH 2024:

On-site verbal request for bonding and insurance information ~ denied.

As the officers we're preparing to **unlawfully** take **My PRIVATE Property**, I asked all of them for their business card, as I know their business cards are required by STATE OF TEXAS law, their regulations, policies, and procedures are to have their *insurance providers name*, and *business address* along with the **Public Servants BOND Identification Number**. Upon this request, they admittedly said that the city police department hadn't provided them with business cards and all the information I needed was going to be on the citation. That's a lie, there is no BONDING or Surety information on the citation. This request was made in compliance with state law, which mandates that public servants provide bond and liability information upon request. Each officer present failed to produce bond information as required by law, thereby abdicating their fiduciary obligation to provide access to public records, in clear contravention of **Texas Government Code § 552**. Their failure to do so constitutes a violation of the Texas Public Information Act and public trust. **This was My First Request for Bonding Information** as it is required by law that public servants provide that information when it is requested of them to provide it.

SECOND AND THIRD REQUEST WERE THE MAILINGS OF SEPTEMBER 27TH 2024:

Written requests via USPS Certified Mail # **9589 0710 5270 2118 2143 69** to City Secretary

This came in the form of written requests, **First**, a FOIA request (*images below*) directly to the *secretary* of the **CITY OF SNYDER, Inc.** who is the custodian of records for the **Snyder CORPORATION** and the **Second** addressed to each of the individuals who, **at that point**, were parties to the **COUNTERCLAIM** against citation #**E020937** as is specifically and clearly laid out - herein below.

EXHIBIT Q – Representative Summary

Chronological Record of Barratry, Dishonor, and Judicial Malfeasance

**Violations Committed by the CITY OF SNYDER, INC.
MUNICIPAL COURT Administrators**

This Exhibit is a *notarized, BONDED, and Chronologically Structured Evidentiary RECORD* establishing a pattern of *administrative fraud, commercial dishonor, and perjury of oath by officers and agents* of the CITY OF SNYDER, INC. MUNICIPAL COURT. It documents the court's *willful continuation* of proceedings against the *copyrighted legal fiction "LANE LEE BOWERS©"* while *wholly ignoring* a Lawfully filed and *unrebutted COUNTERCLAIM*, deposited via **REGISTERED Mail** on **September 27th, 2024**. As such, the court knowingly proceeded in default, without jurisdiction, and in violation of the undersigned's standing as a **Living Man**, fully secured under the **Articles of the Bill of Rights, the Texas Constitution, and the principles of commercial equity**.

This **RECORD** presents a complete timeline of each *presentment, invoice, and demand delivered* to court actors including **Judge, Jeffery John Caswell** and **Court Administrator, Angela Rene Blair**. Their refusal to rebut the **COUNTERCLAIM** while *advancing prosecution constitutes textbook judicial barratry, a breach of fiduciary duty, and fraud upon the court*. The CITY OF SNYDER, INC. MUNICIPAL COURT is shown, through this **RECORD**, to have operated *outside lawful authority—without rebuttal, without contract, and contrary to Public TRUST—*thereby justifying the **lawful bond** now perfected in the amount of **\$27,787,745.00 USD**. This document stands as **NOTICE, evidence, and charge**.

In addition to the above, the *court and its officers unlawfully utilized and acted upon the copyrighted legal fiction "LANE LEE BOWERS©" without consent, contract, or lawful authority*. This unauthorized use constitutes a **Direct Violation of the Undersigned's Private Intellectual Property Rights**.

As such, the CITY OF SNYDER, INC. Before the incident that happened with the CITY OF SNYDER, Inc MUNICIPAL COURT there has to be a little back-story given to establish My Standing as a Man and an American, then I will explain the issues of Controversy which began *September 11th, 2024*, giving rise to the Courts actions that constitute contempt toward the People it serves and Barratrous in nature.

To begin with, You read above in the beginning paragraph the initial statement made of Who I am, where in is stated the following: “NOT a Minor.. Being of *Age of the Majority*, Who Congress Wrote into Law on *May 3, 1940*, in “*The I Am an American*” Act is a Sovereign Citizen ~ an American of the Republic”

RECOGNITION OF STANDING AS AN AMERICAN SOVEREIGN:

In alignment with the “I Am an American Day” Act, Public Resolution 67 (76th Congress, May 3, 1940), and Proclamation 2680, it is declared that those attaining the age of majority are **American Sovereign Citizens**, vested with full responsibilities and rights within our **Self-Governing Republic**. Private Presentment – Formal Notice of Notarial Dishonor and Breach of Oath

Administrative Record Submission to the Secretary of State of Texas

Dear Madam Secretary,

I, Lane Lee Bowers, a Living Sentient Man on the Land and Soil of the Republic of Texas, hereby place before you this lawful and bonded presentment, executed without prejudice and without waiver of any unalienable rights, as a matter of public and Administrative RECORD. This NOTICE concerns serious and substantiated misconduct by Brad Scott Overcash, a commissioned notary public and Deputy Secretary for the CITY OF SNYDER, INC.

As the official responsible office of oversight, discipline, and record-keeping of all commissioned notaries in the State of Texas, you are now placed on formal and fiduciary NOTICE of the following violations committed by Brad Scott Overcash, acting in his official notarial capacity under color of office and in conflict of interest:

- 1. Refusal to Provide Bonding Information: Brad Scott Overcash failed to fulfill no fewer than seven (7) lawful requests for public bonding and fiduciary disclosure under the Texas Public Information Act (TPIA), Government Code § 552, concerning four officers of the CITY OF SNYDER, INC. POLICE DEPARTMENT. (See Exhibit enclosed)
- 2. Notarizing in Conflict and Dishonor: Brad Scott Overcash issued and witnessed a sworn affidavit related to a complaint filed against Me, despite being a named and un rebutted respondent to an outstanding COUNTERCLAIM lawfully filed on September 27, 2024. This constitutes unlawful dual participation, breach of neutrality, and violation of due process under oath. “A violation of oath is a violation of law, and administrative dishonor carries full personal liability when un rebutted.” (See Exhibit enclosed)
- 3. Witnessing of Fraudulent Presentment: He acted as a notary to a third-party hearsay complaint by an individual not present at the incident—constituting false attestation and fraudulent use of his commission in commercial and administrative proceedings.

As Secretary of State, the notarial commission, and the bonded surety standing behind it, are administered under your supervision. It is now your administrative duty to investigate and, if warranted, suspend or revoke said commission

TO BE FILED IN THE RECORD — NOT FOR ADJUDICATION

Filed for Judicial Notice Only — Executive Service Not Required.

Notice of Judicial Obstruction and Demand for Executive Oversight

I, **Lane Lee Bowers**, a Living Sentient Man, domiciled on the Land and Soil of Scurry County, Republic of Texas, American Republic, do hereby present this **NOTICE** and Declaration for the **RECORD** of the Executive Office of the United States, in honor and without malice, pursuant to My Right secured under the **Bill of Rights** Articles: First, Fifth, Seventh, Ninth, and Tenth, the Constitution for the united States of America (1787), and the Constitution of the State of Texas (1876).

I have lawfully perfected an *Administrative RECORD* of **Default** against multiple BONDED *Public Servant Fiduciary TRUSTEES*, officers of the **CITY OF SNYDER, INC.**, a for-profit municipal corporation, based on repeated violations of constitutionally secured and guaranteed **Rights**, *public trust obligations*, and *fiduciary duties*. Said **Administrative Process** included United States Postal Service REGISTERED and Certified **NOTICES**, a Lawful **COUNTERCLAIM**, **NOTICE** of Dishonor Opportunity to Cure, **Default Judgment**, Affidavit of Obligation, *Perfected Lien Instruments*, and **Bonding Declaration** — all served without *rebuttal* or *lawful response*.

This Lawful Presentment is made to the Executive Office due to the *obstruction, denial, and failure* of the judicial venue in Scurry County, Texas, to recognize or allow enforcement of **My perfected PRIVATE Claim** — a *controversy now reduced* to Verified **Default** and **Obligation**.

As evidenced by the **RECORD**, the court has **failed** to *acknowledge jurisdiction based in constitutional standing, ignored administrative exhaustion of remedy, and attempted to reduce this matter to discretionary silence*. This is a direct affront to Article I, Article III, and Article VII of the Constitution, and violates Texas Government Code §552.321, Article I §13, §15, and §27 of the Texas **Bill of Rights**, and the foundational principle of due process.

Accordingly, I submit this Executive Presentment as both lawful **NOTICE** and **DEMAND** for *Oversight*. I do not seek permission. I do not beg relief. I require that the **RECORD** of *dishonor and refusal to adjudicate* a perfected controversy be placed on **Executive NOTICE**. This presentment shall stand as formal evidence of **Judicial Obstruction** in *violation of Public TRUST*, and as a **DEMAND** for **Acknowledgment** that *the Constitution remains binding upon all public officers, at all levels of government*.

The **FULL Administrative RECORD**, *Evidentiary Exhibits*, **NOTICES**, and **BONDING Instruments** are enclosed herewith, as published at:
