NOTICE OF PENDING ENFORCEMENT ACTION:
PROOF OF SERVICE LOG & EVIDENTIARY RECORD

Cause No. **25-208-DCCV-27862**, 132ND JUDICIAL DISTRICT COURT — Scurry County, Texas

Motion to Enforce Administrative Default Judgment, page 1-5 NOT Notarized on purpose waiting on respondents receipt of NOTICES as required by due process, and lawful service.

**MOTION TO RECOGNIZE AND
ENFORCE ADMINISTRATIVE DEFAULT JUDGMENT**

CAUSE NO. 25-208-DCCV-27862

IN THE 132ND JUDICIAL DISTRICT COURT SCURRY COUNTY, TEXAS

Lucez PaxaDeum[®], acting in the capacity of Trustee of Sojourn Bequest Irrevocable Trust, which Trust is the duly appointed Trustee and administrator for Sundual Reparations Irrevocable Trust, being the *Affiant and Real Party in Interest*, tender the following Motion:

I. PURPOSE OF MOTION

This Motion is respectfully presented for the limited purpose of requesting judicial recognition and enforcement of a perfected private administrative record previously entered into the above-styled cause for record only, previously styled as not for adjudication.

II. STATEMENT OF RECORD AND PROCEDURE

- **On** or about **September 27, 2024**, Affiant initiated a private administrative process providing full due process: *lawful notice, opportunity to cure, and opportunity to rebut by sworn affidavit*.
- **Respondents** failed to timely respond or rebut the claims, resulting in a perfected administrative default, as of **February 14, 2025**.
- **An Affidavit of Non-Response, Certificate of Default, and Administrative Judgment** were entered into the record.
- **The Matter** is settled administratively, with no controversy remaining.
- **Equitable title to the claim and cause has vested in Sundual Reparations Irrevocable Trust**, whose duly appointed Trustee is Sojourn Bequest Irrevocable Trust, both Private Trust entities under un rebutted record.

III. LEGAL BASIS FOR RECOGNITION AND ENFORCEMENT

This Motion is *lawfully grounded in multiple authorities affirming the enforceability of administrative judgments based on proper notice, default by silence, and un rebutted affidavits.*

III-A. PUBLISHED LAW

- Texas Rule of Civil Procedure 239 – Provides that when a defendant has been duly served and fails to answer within the time allowed, *the plaintiff may seek a default judgment.*

NOTICE OF PENDING ENFORCEMENT ACTION:
PROOF OF SERVICE LOG & EVIDENTIARY RECORD

Cause No. **25-208-DCCV-27862**, 132ND JUDICIAL DISTRICT COURT — Scurry County, Texas

**MOTION TO RECOGNIZE AND
ENFORCE ADMINISTRATIVE DEFAULT JUDGMENT**

- Texas Rule of Civil Procedure 241 – Allows courts to accept evidence *by affidavit in support of a default judgment.*
- Federal Rules of Evidence 201 – Mandates that a court *must take judicial notice if a party requests it and supplies the necessary information.* This includes court filings and notarized public records.
- Administrative Procedure Act, 60 Stat. 237, §555 – Confirms that when a party is given notice and opportunity to be heard but fails to respond, final agency action may proceed.

III-B. ADJUDICATIVE PRECEDENT

- U.S. v. Kis (7th Cir. 1981)

“an Unrebutted Affidavit is Truth is also codified in the rules of procedure. Non-Rebutted Affidavits are Prima Facie Evidence in the Case. Indeed, no more than (Affidavits) is necessary to make the Prima Facie Case.”

“Since the Record of the Parties shows that parties shows no rebuttal on record, let it be the tacit admission of both Defendants to the stipulated facts throughout all of Petitioners Notices.”

This citation appears where the claim is that government actors failed to rebut notarized affidavits, thus triggering estoppel and default judgment under administrative process doctrine.

- Seitzer v. Seitzer, 271 Cal. App. 2d 347 (1969)

“Uncontested Affidavit taken as true in support of Summary Judgment.”

Where affidavits are unopposed, they are treated as true for purposes of adjudication. Summary judgment was appropriate because the opposing party failed to present any counter-declarations, leaving no triable issue of material fact.

- Mullane v. Central Hanover Bank, 339 U.S. 306 (1950), at 314

“Where notice is reasonably possible, it must be direct, calculated, and sufficient to satisfy the constitutional minimum of due process.”

Failure to reply satisfies due process and authorizes enforcement.

- Carmine v. Bowen, 64 A. 932 (Va. 1906)

“It is a well-established legal principle that silence where there is a duty to speak is an admission of the truth of the facts stated.”

Respondents were given lawful notice and opportunity to respond. They failed to rebut any claims. As in *Carmine v. Bowen*, their silence constitutes an admission under law.

III-C. MAXIM OF LAW

- ❖ *“Agreements give the law to the contract.”;*
- ❖ *“Consent makes the law.”;*
- ❖ *“To him consenting no injury is done.”;*
- ❖ *“A claim not contested, stands true.”;*

NOTICE OF PENDING ENFORCEMENT ACTION:
PROOF OF SERVICE LOG & EVIDENTIARY RECORD

Cause No. **25-208-DCCV-27862**, 132ND JUDICIAL DISTRICT COURT — Scurry County, Texas

**MOTION TO RECOGNIZE AND
ENFORCE ADMINISTRATIVE DEFAULT JUDGMENT**

- ❖ “*He who does not deny, admits*”;
- ❖ “*Silence is consent where there is a duty to speak*”;
- ❖ “*The law aids the vigilant, not those who slumber on their rights.*”; and;
- ❖ “*A Claim brought in law that is not contested or rebutted, then stands true. Hence silence to a controversy is considered consent to any judgment.*”

**IV. DUE PROCESS COMPLIANCE OF ADMINISTRATIVE LIEN
ENFORCEMENT PROCEDURE**

The United States Supreme Court, in *Sniadach v. Family Finance Corp.*, 395 U.S. 337 (1969), held unequivocally that the deprivation of property — whether by lien, garnishment, or levy — without prior notice and opportunity for hearing constitutes a violation of the Fourteenth Amendment’s Due Process Clause. The Court acknowledged that while such practices had existed in Roman law and medieval English systems, those pre-judicial seizure mechanisms fail to meet the constitutional standards of procedural fairness required under American law.

Accordingly, any action to encumber, impair, or foreclose upon property or beneficial use must be preceded by:

1. Properly served notice to the alleged obligor,
2. An opportunity to cure, contest, or rebut the alleged claim,
3. A failure to respond, resulting in a perfected record of default, and
4. An Affidavit or Certificate of Non-Response lawfully entered into the record.

Where these steps have been satisfied through private administrative process — mirroring the protections of judicial due process — including proper service, documented timelines, and full opportunity to be heard, the resulting claim is ripe for ministerial enforcement. The perfected record operates as **prima facie** evidence of liability and estoppel under *Carmine v. Bowen*, 64 A. 932 (Va. 1906), and may be submitted to the Court for official recognition and enforcement through lien, constructive trust, or other lawful remedy.

Thus, the enforcement of the perfected claim herein — being the product of a lawfully executed administrative process with full due process afforded — comports fully with the standard set forth in *Sniadach* and its progeny, and does not violate constitutional protections. Rather, it affirms them.

V. REQUEST FOR ADJUDICATION AND ENTRY OF ENFORCEABLE JUDGMENT

Petitioner Trust now *formally invokes the adjudicative authority of this Court, not for fact-finding or evidentiary hearing, but for entry of final judgment based solely upon the Respondents’ default, silence, and failure to contest the verified claims placed into the record.*

The *perfected administrative process, un rebutted affidavit, and Certificate of Non-Response* now ripen into an enforceable legal obligation under **Tex. R. Civ. P. 239 and 241**, and **FRE 201**.

NOTICE OF PENDING ENFORCEMENT ACTION:
PROOF OF SERVICE LOG & EVIDENTIARY RECORD

Cause No. **25-208-DCCV-27862**, 132ND JUDICIAL DISTRICT COURT — Scurry County, Texas

**MOTION TO RECOGNIZE AND
ENFORCE ADMINISTRATIVE DEFAULT JUDGMENT**

Accordingly, Petitioner respectfully requests that this Court:

1. **Take judicial notice of the perfected administrative record,**
2. **Adjudicate the default as conclusive,**
3. **Enter judgment in favor of the Trust, and**
4. **Authorize post-judgment enforcement** via writ of execution or applicable remedies.

This request comports with *Sniadach v. Family Finance Corp.*, 395 U.S. 337 (1969), and *Mullane v. Central Hanover Bank*, 339 U.S. 306 (1950), as full notice and opportunity to respond were afforded, and no response was received.

The Trust now seeks enforcement, not re-litigation.

VI. NOTICE OF JUDICIAL DUTY AND MINISTERIAL FUNCTION

Affiant provides the Court this section in the interest of constitutional clarity and procedural fairness:

1. Where a private administrative process has been lawfully executed, perfected by silence, and entered into the court **for record only**, it becomes the judicial function not to adjudicate controversy, but to **recognize the un rebutted record as final**.
2. Under the **Texas Rules of Civil Procedure, Federal Rules of Evidence, and established Supreme Court due process precedent**, the absence of any reply or responsive pleading creates **no triable issue of fact**. The **ministerial duty** to recognize and enforce perfected judgment arises.
3. Judicial inaction in the face of perfected default, where all procedural rights have been honored, may constitute a **violation of due process** and a failure of the court's ministerial role, as recognized in *Mullane v. Central Hanover Bank*, 339 U.S. 306 (1950), and supported by the procedural enforcement powers under **Tex. R. Civ. P. 239, 241**.
4. Affiant does not ask the Court to litigate, interpret, or contest, but simply to **acknowledge, give force, and record ministerial effect** to what the record lawfully shows: a perfected administrative default judgment and lawful vesting of equitable title in Trust.

Affiant reserves all rights to seek writ or remedy under Texas law should unreasonable delay or constructive denial impair enforcement.
